

# 2103 ASAA State FITA Field

Bright skies and pleasant breezes welcomed the nearly 50 archers who attended this year's State FITA Field Championship. We had 21 cadet archers and 25 adult archers. The ages ran from 7 to 77! Most of the archers were competing in FITA Field for the first time ever. Forty-six two day archers is the highest total we have ever had. The pervious highest was 32. Thanks to everyone that came out.

The results!

Special thanks to Brad Cress and daughter Meghan Cress for setting up, remarking the field for the second day, and for tearing down and cleaning up the field and range.

Thanks to Caytie Belzner and Steve Belzner, and Mike Lee for helping with registration and offering very good suggestions for improvements to the event.

Special note to Robert Beck. We have three arrows found on a bale, initialed with RB, are you missing three arrows? Call Richard Doria, 602-696-6042, leave message.
